DIFFERENTIATORS

- We focus exclusively on each customer, giving each our devoted attention.
- Our niche is specifically focused on IT equipment sales and performance.
- Experts in product knowledge, our team is well-versed in assisting you in troubleshooting to make sound, unbiased recommendations to find the best solutions to meet the unique needs of every customer.
- Unmatched dedication, honesty, and integrity.

CAPABILITIES NARRATIVE

LN2S Consulting L.L.C. is a customer-focused business that offers enterprise network equipment sales and top-shelf security. We have partnered with several brand-name vendors to offer desktops, laptops, notebooks, servers, and many other I.T. products and software solutions needed in establishing robust networks for productive office and classroom environments. Our product line includes Cisco, Dell, HP/HPE, Juniper, Lenovo, Microsoft, and Extreme Networks—just to name a few. We are completely dedicated in ensuring our solutions provided and accepted are implemented fully, correctly, and promptly.

CORE COMPETENCIES
